Kid\$ At Home

GIVE AWAY, DON'T THROW AWAY! ♪

DONATE!

DID YOU KNOW?

When we are finished with something, we might just throw it away. But what if that thing could bring happiness to someone else?

TODAY'S CHALLENGE

- Being stuck at home is a great time for spring cleaning!
- Go through your room and pick some things you don't use or wear anymore. Is it in good condition?
- If so, pack it in a bag for when you can take it to your local charity shop. Can you think of other places you could take your donations?

**GIVE AWAY,
DON'T THROW
AWAY! 🎉**

This activity encourages your child to donate items that are still in good condition to local charities, instead of throwing them away.
