

YOUR MONEY - PLAN! -

SAVE!

**DID YOU
KNOW?**

**It's important to have a plan
for your money to help
you reach your goals.
Let's make your money plan!**

TODAY'S CHALLENGE

- What should you do with your weekly or monthly allowance?
- Take three small containers and label them SAVE, SPEND and DONATE.
- Think about what you'd like to do with your money. How much of your weekly allowance will you put in each one?
- Do you want to SAVE your money for the future?
- Do you want to SPEND it on something for you or your family?
- Do you want to DONATE it to a charity? Perhaps you might even do all three!

YOUR MONEY - PLAN! -

Encourage your child to start managing their money.
This activity teaches your child to think about the
options they have to Save, Spend or Donate.
