

WHY SAVE MONEY?

SAVE!

DID YOU KNOW?

What is the connection between your Dreams and Saving money. Let us find out!

TODAY'S CHALLENGE

-  Print or draw some pictures of things you'd like to have or places you want to visit.
-  Cut them out and stick them on a blank piece of paper. Label that poster - 'Dreams to Reach For' - and hang it on the wall. OR tape the pictures to the side of a large jar or money box and start saving for your dreams!
-  Discuss with Parents or an Adult how you could save money, so that one day you can afford those things. You'll soon be the very proud owner of that thing you really wanted.

WHY SAVE MONEY?

This activity is designed to illustrate how saving early on can help make some of your dreams come true.
