USE YOUR BEST SKILLS FOR GOOD!

DONATE!

DID YOU KNOW?

Donating is more than just about giving money. Imagine if you could use your skills to help other people. That's a win-win for everybody!

TODAY'S CHALLENGE

- Write down some of the things that you are good at or enjoy doing.
- Do you like making things?
Perhaps cooking, drawing or building?
- If you're good at video games, you're probably a quick thinker and a problem solver!
- Talk to your Parent or an Adult and work out how you can use your skills for good!

USE YOUR BEST SKILLS FOR GOOD!

Figuring out what your child is good at will help them serve others better. This activity encourages your child to think about their skills and strengths, and how to use them for good.
