MAKE DIFFERENCE!

DONATE!

DID YOU KNOW?

There are many ways you can make a difference. Find out how or what you could donate to help others!

TODAY'S CHALLENGE

-  Think of the people that need help, in your community or the world! Is there something you feel passionate about and would like to support?
-  Discuss ideas with your Parents or an Adult in your house and decide how you could help. Remember, you don't just have to donate money. Donating your time or even your belongings can help make someone else's life better.
-  Ask your family to do this together and help make a difference!
